Date Approved by the Trust Board:	23 March 2018
Next Review Date:	Summer 2020
Noted by Stockton Secondary Academy Council	6 June 2018
Signature of Chair of Academy Council Mr John Copping	

Introduction

This policy statement sets out the Trust's arrangements and therefore the arrangements for individual academies for managing the access of providers to students at the academy for the purposes of giving them information about the provider's education or training offer. This complies with the academy's legal obligations under Section 42B of the Education Act 1997.

Student entitlement

Students in years 8-13 are entitled:

- To find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point.
- To hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through guided pathway evenings, assemblies and group discussions and taster events.
- To understand how to make applications for the full range of academic and technical courses.

Please speak to our named Careers Leader, Mrs Gill Sangster, to identify the most suitable opportunity for you.

The academy policy on safeguarding sets out the school's approach to allowing providers into school as visitors to talk to our students.

Premises and facilities

The academy will make the main hall, classrooms or private meeting rooms available for discussions between the provider and students, as appropriate to the activity. The academy will also make available AV and other specialist equipment to support provider presentations. This will all be discussed and agreed in advance of the visit with the Careers Leader or a member of their team.

Providers are welcome to leave a copy of their prospectus or other relevant course literature at the academy. The academy will ensure this documentation is available to all students at lunch and break times in a relevant location of the academy.
