GET
INVOLVED

North Shore Academy's enrichment programme

Why take part in enrichment activities?

After school enrichment activities are a fantastic way to improve academic performance, develop new skills and meet new people.

At North Shore Academy, we provide great ways to develop your academic performance through progress clubs, catch up sessions, homework clubs and 1 to 1 support sessions. We also provide enrichment activities to allow you to gain new experiences and opportunities outside of the classroom such as, volunteering opportunities, sport and leadership activities, crafts, cooking and many more. These activities will equip you with valuable skills that are needed for higher education and future employment.

How can I get involved?

There are various enrichment clubs that run every day after school, each week, from 2.30pm onwards. All clubs are free!

All club information can be found in this enrichment booklet, as well as on timetables displayed around the academy. Some clubs will require you to sign up so you will need to see the member of staff running the club if you are interested in taking part in a specific activity. If the club does not require you to sign up, just turn up and enjoy what the club has to offer!

If a club is 'targeted' at specific students, students will be invited by the member of staff running the club. Some clubs are targeted at specific individuals or groups so please check this information with the leader of the club.

What else do I need to know?

Whatever your needs or interests, there are lots of activities to get involved with. This booklet contains information about clubs which are available to attend this during half term. If there is a club you would like to take part in that isn't currently offered, please speak to Mrs Zaheer.

If you usually get the school bus home, a late bus will be provided for any students who attend an after school club. If you need to use the late bus, make sure you collect a token from the member of staff running the club you attend. This token needs to be handed to the member of staff on bus duty so that you can access the late bus. If a club is cancelled, the member of staff running the club will inform tutors so this can be announced in VMG.

Monday

Enrichment activity	What's involved	Year group	Time/ Location	Teacher	Do you need to sign up?
