Purpose and Aim

North Shore Academy's whole-academy Child Protection Policy aims to provide clear direction to staff and others about expected codes of behaviour in dealing with child welfare concerns. The policy also aims to make explicit the academy's commitment to the development of good practice and sound procedures to keep children safe in our academy.

The purpose of the policy is, therefore, to ensure that our children's welfare is of paramount importance, early and additional help is offered to prevent escalation and where child protection concerns are identified referrals are handled sensitively, professionally and in ways that support the needs of the child's well-being.

Governors and staff are committed within North Shore Academy to safeguarding and promoting the welfare of children in our care through all our policies, procedures and practices. We expect all our pupils' parents and visitors to share this commitment and understanding.

Introduction

North Shore Academy fully recognises the contribution it can make to keeping children safe and supporting the students in its care. There are four main elements to North Shore Academy's child protection policy:

1. Prevention (positive academy atmosphere, careful and vigilant teaching, pastoral care, support to students, providing good adult role models and the identification of early and additional support/services to children and families and recognising and reducing risks to children including harassment, bullying, victimisation, exploitation, radicalisation and issues such as Honour Based Violence, Female Genital Mutilation and Forced Marriage).
2. Protection (following agreed procedures, ensuring all staff respond appropriately and sensitively to child protection concerns and that every member of staff has regular training and is supported to refer their concerns to the Designated Safeguarding Leads, Michael Burns / Lee Alexander or The Children's Hub (01429 284284) directly IF NECESSARY. In certain specific cases such as Female Genital Mutilation (Mandatory reporting of FGM from October 2015), Radicalisation or Forced Marriage there are SPOCS/named teams and individuals within the police who can be contacted).
3. Reconsideration (following and challenging the progress of new referrals and existing cases to ensure that individual cases are reconsidered if there remains no improvement to a child's circumstances).
4. Support (to students and academy staff and to children who maybe vulnerable due to their individual circumstances).

All Staff have a responsibility to recognise child abuse, neglect and peer on peer abuse in its many forms. Additional guidance on how our school supports the following areas of need, additional need or harm are either hyperlinked to the areas identified below from Keeping Children Safe in education, 2016 or a named school policy these must be read in conjunction with our Child Protection Policy.

This policy applies to North Shore Academy's whole workforce.

Framework and Legislation

Academies do not operate in isolation. Keeping children safe from significant harm is the responsibility of all adults especially those working with children. The development of appropriate procedures and the monitoring of good practice are the responsibilities of Stockton Local Safeguarding Children Board, which includes the partnership of several agencies who work with children and families across the Borough.

North Shore Academy is committed to respond in accordance with Child Protection: Tees Local Safeguarding Children Board procedures <http://www.teescpp.org.uk> and partner agencies in all cases where there is a concern about significant harm.

Significant Harm is defined in The Children's Act 1989 as the ill-treatment (including sexual abuse and physical abuse) or the impairment of health (physical or mental) or development (physical, intellectual, emotional, social or behavioural) as compared to a similar child.

Note: harm now includes the impairment of a child's health or development as a result of witnessing the ill treatment of another person.
(*Adoption and Children Act 2002*)

Local Authorities have a duty to investigate (under S47 of the Children Act 1989). Where a Local Authority is informed that there is a child who is living, or is found, in their area and they have reasonable cause to suspect that child is suffering or is likely to suffer significant harm they must make such enquiries as necessary to promote or safeguard the child's welfare. The Children's Hub undertakes this responsibility on behalf of the Local Authority once a referral has been made.

Keeping Children Safe in Education July 2015 contains information on what academies **should** do and sets out the legal duties with which academies **must** comply. It should be read alongside Working Together to Safeguard Children 2015 which applies to all the schools, including maintained nursery schools. The Children Act 1989 sets out the Legal Framework.

Roles and Responsibilities for all staff

Safeguarding and promoting the welfare of children is defined for the purposes of this policy as: protecting ALL children from maltreatment and abuse; (including in addition to the four categories of harm, issues such as child sexual exploitation (CSE), Honour based violence (HBV) inclusive of Female Genital Mutilation (FGM) and Forced Marriage, preventing radicalisation and extremism, harassment, bullying and victimisation) preventing impairment of children's health or development; ensuring that children grow up in circumstances consistent with the provision of safe and effective care; and taking action to enable all children to have the best outcomes. This includes everyone under the age of 18.

Due to the regular contact with children all staff at North Shore Academy have, we hold a particularly important role in safeguarding as we are in a position to identify concerns early, provide help for children and to prevent concerns from escalating. Children can make disclosures or show signs of abuse at any time and to any individual and safeguarding incidents can occur within schools. Therefore it is important that ALL staff:

- Ensure that they listen to and reflect on the voice of the child at ALL times and take seriously any concerns raised to them by a child.
- Ensure that they report **ANY** concerns of harm to any child to the Designated Safeguarding Lead immediately. (However, ALL staff can refer their concerns directly to The Children's Hub if necessary and the police in the stated incidents above). They should inform the Designated Safeguarding Lead as soon as possible if they have reported concerns directly.
- Ensure that they record any information shared directly with them by a child or observed/witnessed with the Designated Safeguarding Lead immediately. This could include sharing information on behalf of the Designated Safeguarding Lead with other

agencies. All discussions decisions and reasons for them should be recorded in writing adhering to the Academy's recording and information sharing policy/procedure.

- Ensure that they maintain an attitude of **'it could happen here'** and report any concerns regarding the behaviour of a child /an adult/staff member in school directly to the Designated Safeguarding Lead/Headteacher.
- Ensure that they feel able to raise concerns about poor or unsafe practices of staff and potential failures in the school's safeguarding regime through whistleblowing procedures and the staff behaviour/code of conduct policy.
- Ensure that they attend regular formal training/updates at least annually to support them in recognising the signs and symptoms of abuse, particularly in support of early identification of needs of children to prevent an escalation of need or risk to the child.
- Ensure from the 1st July 2015 for schools, (or 18th September 2015 for Colleges) that under the Counter Terrorism and Security Act, April 2015 that the school has 'Due regard' To Prevent' and to assess risk of children and young people being radicalised drawn into extremism (based upon potential risks in local area and that clear protocols in place for all visitors so that views are appropriate and not an opportunity to influence others).
- Ensure from October 2015 that there is mandatory reporting to the police in all cases where teachers discover that an act of FGM appears to have been carried out.
- Ensure that staff understand through online safety training the additional risks for pupils online and continue to promote the School's Online Safety Policy in the protection of all pupils.

North Shore Academy will work with social care, the police, health services and other services to promote the welfare of children and protect them from harm.

The Designated Safeguarding Lead

Governing bodies and proprietors should appoint a member of staff of the academy's leadership team to the role of Designated Safeguarding Lead. This should be explicit in the role-holder's job description (see below from Keeping Children Safe in Education 2015 which describes the broad areas of responsibility). This person should have the appropriate authority and be given the time, funding, training, resources and support to provide advice and support to other staff on child welfare and child protection matters, to take part in strategy discussions and inter-agency meetings – and/or to support other staff to do so - and to contribute to the assessment of children.

Role of the Designated Safeguarding Lead

Governing Bodies and Proprietors should ensure that the academy designates an appropriate senior member of staff to take lead responsibility for child protection. This person should have the status and authority within the academy to carry out the duties of the post including committing resources and, where appropriate, supporting and directing other staff.

The Designated Safeguarding Lead has a very detailed role, appendix attached.

North Shore Academy's named Designated Safeguarding Leads are Michael Burns and Lee Alexander.

In the event they cannot be contacted please seek advice from Maryssa O'Connor (Principal).

If there is an IMMEDIATE safeguarding concern and the Designated Safeguarding Leads are unavailable please seek immediate support via The Children's Hub (01429 284284).

The broad areas of responsibility for the Designated Safeguarding Leads are identified here:

Manage referrals

- Refer cases of suspected abuse to The Children's Hub.
- Refer cases to the Disclosure and Barring Service (cases where a person is dismissed or left due to risk/harm to a child); and/or
- Refer to the Police (cases where a crime may have been committed including Sexual Exploitation (VEMT lead), Radicalisation (through the Single Point of Contact for the Channel Panel) Female Genital Mutilation and Forced Marriage).
- Support staff who make referrals to The Children's Hub, Channel Panel or Police as appropriate.

Work with others

- Liaise with the Headteacher or Principal to inform them of issues, especially ongoing enquiries under section 47 of the Children Act 1989 and police investigations.
- As required liaise with the case manager (Headteacher, Principal, or where the Headteacher or Principal is the subject of the allegations the Chair of Governors, Chair of Management Committee or Proprietor of an Independent School) and the DO at the Local Authority for child protection concerns (all cases which concern a staff member)
- Act as a source of support, advice and expertise to staff on matters of safety and safeguarding and when deciding whether to make a referral by liaising with relevant agencies.

Undertake Training

The Designated Safeguarding Lead and any deputies should receive appropriate training updated every two years. They should undertake prevent awareness raising and in addition to the formal training their knowledge and skills should be refreshed at regular intervals but at least annually so they:

- Understand and keep up with any developments to their role
- Understand the assessment process for providing early help and intervention, for example through locally agreed common and shared assessment processes such as early help assessments (Single Assessment Continuum of Need).
- The **Local Assessment Protocol** which sits alongside the **Continuum of Need and Services**
- Have a working knowledge of how local authorities conduct a child protection case conference and a child protection review conference and be able to attend and contribute to these effectively when required to do so.
- Ensure each member of staff has access to and understands the schools or colleges Child Protection Policy and procedures, especially new and part time staff.
- Be alert to the specific needs of children in need, those with special educational needs and young carers.
- Be able to keep detailed, accurate, secure, written records of concerns and referrals.
- Understand and support the school or college with regards to the requirements of the Prevent duty and be able to provide advice and support to staff on protecting children from the risk of radicalisation.
- Obtain access to resources and attend any relevant or refresher training courses.
- Encourage a culture of listening to children and taking account of their wishes and feelings, among all staff, in any measures the school or college may put in place to protect them.

Raise Awareness

The designated safeguarding lead should ensure the school or college's policies are known understood and used appropriately:

- Ensure the school or colleges Child Protection Policy is reviewed annually (as a minimum) and the procedures and implementation are updated and reviewed regularly, and work with governing bodies or proprietors and the workforce in this regard to ensure its effectiveness. This includes ensuring that all staff receive the policy on their induction.
- Ensure the Child Protection Policy is available publicly and parents are aware of the fact that referrals about suspected abuse or neglect may be made and the role of the school or college in this.

- Link with the SLSCB to make sure staff are aware of training opportunities and the latest local policies on safeguarding.

Child Protection File

- Where children leave the school or college ensure their child protection file is transferred appropriately for any new school or college as soon as possible but transferred separately from the main pupil file. Ensuring secure transit and confirmation of receipt. This may be through an electronic system.

Availability

- During term time the designated safeguarding lead (or a deputy) should always be available (during school or college hours) for staff in the school or college to discuss any safeguarding concerns.
- Whilst generally speaking the designated safeguarding lead (or deputy) would be expected to be available in person, it is a matter for individual schools and colleges, working with the designated safeguarding lead, to consider whether in exceptional circumstances availability via phone and or Skype or other such mediums is acceptable.
- The designated safeguarding lead and school should arrange adequate and appropriate cover arrangements for any out of hours/out of term activities.
- Ensure each member of staff has access to and understands the School's suite of safeguarding policies particularly the Child Protection Policy and the Staff Behaviour Policy, especially new or part-time staff who may work with different establishments.
- Be aware of all school excursions and residentials and clarify with educational visit co-ordinator/group leader(s) their role and responsibility in connection with safeguarding/child protection.
- Ensure a whole school policy about managing behaviour and discipline including the use of reasonable force, is in place.
- Ensure an effective whole school policy against bullying/cyber-bullying inclusive of measures to prevent all forms of bullying among pupils, is in place.
- Inform LA of any pupil to be deleted from school admission register and follow missing from Education protocols
- Inform the LA of any pupil who fails to attend school regularly, or has been absent without schools permission for a continuous period of 10 days or more.

Governing Bodies Role and Responsibilities

- Best practice would suggest that governing bodies receive training to clarify their statutory role in keeping children safe to support their quality assurance of those statutory arrangements.
- Ensure a member of the governing body, usually the Chair, is nominated to liaise with the local authority and/or partner agencies on issues of child protection and in the event of allegations of abuse made against the Principal or proprietor or member of governing body.
- Best practice would advise that a Safeguarding Governor (Lorna McLean) is appointed to support the Designated Safeguarding Lead in their role from the perspective of ensuring the allocation of funding and resource is sufficient to meet the current safeguarding and child protection activity, challenge the safeguarding activity and ensure both the self-assessment tool and the Designated Safeguarding Lead report demonstrates fully and accurately the safeguarding arrangements and any action to progress areas of weakness or development
- Ensure that the appointed member of the Governing Body holds the Headteacher to account on all matters involving safeguarding through an effective Child Protection Policy that is embedded and followed by all the workforce in all of the above raised areas.

Information for Parents

Parents/carers should be aware that our academy will take any reasonable action to safeguarding the welfare of its students. In cases where the academy has reason to be concerned that a child maybe suffering significant harm, ill treatment, neglect or other forms of harm, staff have no alternative but to follow Stockton Safeguarding Children Board procedures and inform The Children's Hub or police of their concern.

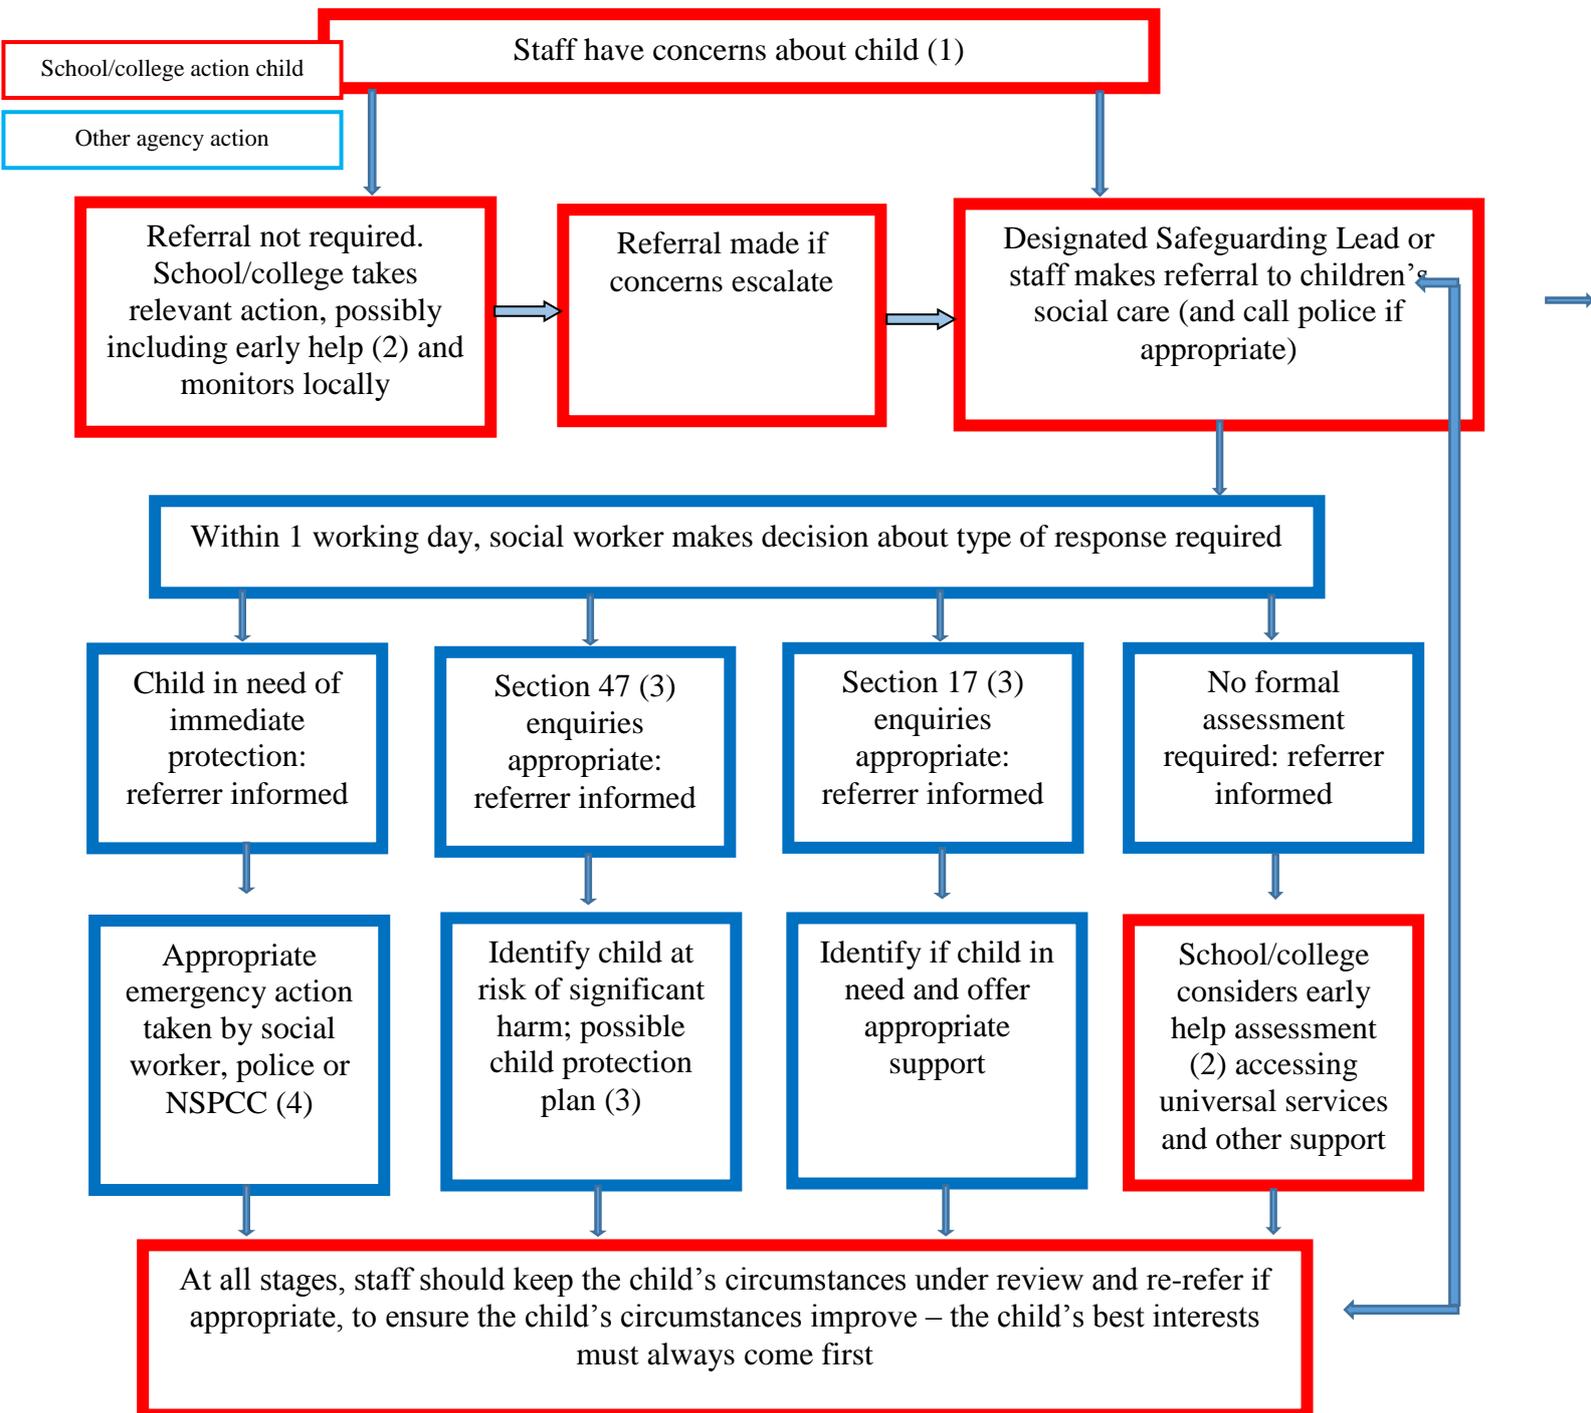

Procedures

The designated safeguarding lead will be informed immediately by an employee of the academy, student of the academy, parent of the academy or other persons, in the following circumstances:

- Suspicion that a child is being harmed
- There is evidence that a child is being harmed

The Designated Safeguarding Lead will keep a full record of concerns raised and make referrals to The Children's Hub if necessary. The Headteacher will be kept informed at all times.

Actions where there are concerns about a child

1. In cases which also involve an allegation of abuse against a staff member, see Part Four of this guidance
2. Early help means providing support as soon as a problem emerges at any point in a child's life. Where a child would benefit from co-ordinated early help, and early help inter-agency assessment should be arranged. Chapter One of [Working Together to Safeguard Children](#) provides details guidance on the early help process
3. Under the Children Act 1989, local authorities are required to provide services for children in need for the purposes of safeguarding and promoting their welfare. This can include s17 assessments of children in need and S47 assessments of children at risk of significant harm. Full details are in Chapter One of [Working Together to Safeguarding Children](#)
4. This could include applying for an Emergency Protection Order (EPO)

Safe Academy/Safe Staff

Governors have agreed and ratified the following policies, procedures, processes or systems which must be read and considered in conjunction with this policy:

Whistle Blowing/confidential reporting

North Shore Academy's whistle blowing/confidential reporting policies provides guidance to staff and volunteers on how they can raise concerns and receive appropriate feedback on action taken, when staff have concerns about any adults behaviour.

Complaints / Allegation Management Towards or with a Child or Adult

A Safeguarding complaint involving a member of staff must be reported to the Principal immediately. If the complaint involves the Principal then the next most senior member of staff must be informed and the Chair of Governors.

Consultation without delay with the DO **Tel: 01642 527413** will determine what action follows. A multi agency strategy meeting may be arranged to look at the complaint in its widest context, the Principal/senior member of academy staff must attend this meeting, which will be arranged by the DO. All issues must be recorded on the allegation management form and the outcome reached must be noted to ensure closure.

www.teescpp.org.uk/allegationsandconcernsagainststaff

Training and Support

All staff members should be aware of the systems within their school or college which support safeguarding and these should be explained to them as part of their induction into the school to ensure they can discharge their responsibilities effectively. This includes: The Child Protection Policy; Staff Behaviour Policy (sometimes called a code of conduct); Safer Working Practice Document and the Names of the Designated Safeguarding Lead and their deputies)

All staff members should also receive appropriate safeguarding and child protection training which is regularly updated. The governing body in consultation with SSLB will decide the frequency and content of this CPD. In addition, all staff members should receive regular safeguarding and child protection updates as required but at least annually to provide them with relevant skills and knowledge to safeguard children effectively with opportunities to contribute to reviewing and shaping the safeguarding arrangements.

Professional Confidentiality

Confidentiality is an issue which needs to be understood by all those working with children, particularly in the context of safeguarding. North Shore Academy recognises that the only purpose of confidentiality in this respect is to benefit the child. (Child Protection Tees Local Safeguarding Children Board procedures <http://www.teescpp.org.uk/>).

Record Keeping

Well-kept records are essential to good safeguarding practice. North Shore Academy is clear about the need to record any concerns, discussions held, decisions made and reasons for those decisions about a child or children within its care. All staff will follow the schools information sharing and recording policies to ensure recording keeping is compliant.

Safeguarding Recording within North Shore Academy is through a paper based system and through the secure management system CPOMS. Following a child leaving our school we follow the appropriate transfer procedures and retention guidelines.

Attendance at Safeguarding Conferences

In the event of North Shore Academy being invited to attend child protection conferences, the Designated Safeguarding Lead will represent the academy and / or identified the most appropriate trained member of staff to provide information relevant to child protection conference (initial/review).

Supporting Children

North Shore Academy recognises that children who are abused or who witness violence may find it difficult to develop a sense of self-worth and to view the world in a positive way. North Shore Academy may be the only stable, secure and predictable element in the lives of some of the children in its care. The academy, therefore, recognises that such children might exhibit challenging and defiant behaviour and will take careful note of the context of such behaviour.

As an Operation Encompass partner we work closely with the OE Lead with regards to DV incidents and offer wellbeing checks to our pupils if we are contacted following an incident which has occurred in one of our pupils homes.

North Shore Academy also recognises that children are capable of abusing their peers. Peer on peer abuse can take many forms and any concerns raised will be investigated and dealt with appropriately. No peer on peer abuse should be tolerated or minimised as part of growing up and all those involved will be provided with an appropriate level of support. It is understood that those pupils who have experienced abuse in their own lives may in turn abuse others. This requires a considered and sensitive approach in order that the child can receive appropriate help and support. See Peer on Peer abuse policy for detailed information.

North Shore Academy also recognises that some children who have experienced abuse may in turn abuse others. This requires a considered and sensitive approach in order that the child can receive appropriate help and support.

North Shore Academy will endeavour to support all its students through:

- The curriculum to encourage self-esteem, self-motivation, self-protection.

- The academy ethos, which promotes a positive, supportive and secure environment and which gives all students and adults a sense of being respected and valued.

North Shore Academy

- A coherent management of behaviour and discipline policy & procedures inclusive of the use of reasonable force.
- Liaison with other professionals and agencies who support children and parents.
- A commitment to develop productive, supportive relationships with parents whenever it is in the child's interest to do so.
- The development and support of a responsive and knowledgeable staff group whose role it is to respond appropriately in all safeguarding situations.

North Shore Academy recognises that, statistically, children with behavioural difficulties and disabilities are the most vulnerable to abuse. Academy staff who work, in any capacity, with children with profound and multiple disabilities, sensory impairment and/or emotional and behavioural problems will need to be particularly sensitive to signs of abuse. Academy staff must give consideration to children who are subject to a statement of special needs, an education health and care plan or have a medical condition, as these can mask safeguarding issues and must not be dismissed.

North Shore Academy also recognises that in a home environment where there is domestic violence, drug or alcohol misuse or mental health issues children may also be vulnerable and in need of support and protection.

This policy **MUST** be read in conjunction with other related policies in the academy.

These include (for example)

- **Robust School Recruitment and Selection policy**-inclusive of safer recruitment guidance and regulation for example a **single central record** which demonstrates the pre-employment vetting checks for all staff (e.g. identity, professional qualifications, right to work in the UK, further checks on people who have lived or worked outside the UK including recording checks for those EEA teacher sanctions and restrictions), for the workforce who are in regulatory activity (enhanced DBS, children's/adult barred list, prohibition from teaching check, section 128 check) and supervision of those who don't meet this requirement.
